HAMILTON INTERMEDIATE SCHOOL

Our Vision

Hamilton Intermediate School's goal is to create a community of lifelong learners who are prepared to meet the challenges of the 21st century. We seek to provide students with a comprehensive education encompassing academic, social, emotional, and cultural needs in a technological age.

It is our objective that every child will reach their academic potential, while exhibiting strong morals and values such as **RESPECT, HONESTY, and RESPONSIBILITY**. We strive to maintain collaboration amongst teachers, parents, and community members who will guide our students on this journey.

This journey includes the importance of learning, appreciating our diverse talents and differences, and recognizing the value of all people.

Code of Conduct for the Harrison Public Schools

Please be advised that the HARRISON PUBLIC SCHOOLS has a Board of Education approved Code of Conduct. This policy specifies what is appropriate in school and during school-sponsored activities. You may review this document with this link [Code of Conduct](#) or on our district website: www.harrisonschools.org, you can also obtain a copy in our main office.

Safety, Arrival Time and Dismissal

Please make certain that your child does not arrive at school too early. If you work, please make arrangements to have your child arrive at school **no earlier than 8:20 A.M.** It is our earnest desire to avoid accidents and protect your child. We need your cooperation in this matter. School is dismissed promptly at 3:05 P.M. **All children must be picked up no later than 3:05 P.M. there is no after school care.** It would also be helpful to teach your child about safety as he/she walks to and from school and about the importance of going directly home after school. These safety rules will be reinforced by the classroom teacher.

*****On those days when Hamilton Intermediate School will have early dismissal the school hours will be from 8:20 a.m. to 1:11 p.m. for all grades. All children must be picked up no later than 1:11 p.m.*****

Absences and Tardiness

If your child is going to be absent you MUST call:

(973) 735-5550 Ext. 3033

To report your child's absence. **Upon return after an absence, a note is required to be admitted to class.** A note is also required to explain tardiness. Please help us to teach the importance of developing habits of good attendance and punctuality. Please try to schedule doctor and dentist appointments after school hours. Absences and tardiness are an interruption to a student's school career. Although most of these situations are unavoidable, there are many times when they are avoidable. In the event that unexcused absence and tardiness become chronic, parents will be asked to come to school and design an action plan with the principal to address these areas. Students with unexcused absences exceeding 10 days are in danger of being retained.

Procedure for Picking Children Up During School Hours

Please do not send a sick child to school. Please ensure that students are fever free for at least 2 hours before returning to school. If a child becomes ill during school hours the child will only be released to a parent or person(s) listed on the emergency information form (page to be completed in back of the handbook).

No child will be released to a minor during school hours.

If a student needs to be picked up during school hours, a note must be sent in with the child the morning of stating the name of the person who will pick the child up and the time that the child will be picked up. If there is no advance written notice children will not be released during school hours to anyone other than a parent. ID must be shown and will be copied in the main office when any child is picked up during the school day. These policies are strictly enforced.

*****IMPORTANT*****

*****Please be sure that the office has several working phone numbers in case of an emergency. If any phone numbers change you must notify Hamilton Intermediate School immediately.*****

Homework Policy

Hamilton Intermediate School has initiated a homework policy that stresses the importance of homework for effective learning. The following school philosophy reflects the value of homework.

- homework extends learning experiences beyond the classroom and reinforces learning by giving children a chance to practice without the pressure of time.
- homework has value as a process, one that teaches a child responsibility, how to organize time, work independently, practice good study skills, and develop self-discipline.
- homework encourages good work and study habits and gives the child extra time and the extra opportunity to improve skills.
- homework is one of the links between school and home that enables parents to become more involved with their child's education.

In keeping with the above philosophy, Hamilton Intermediate School supports the following policy for students. Daily homework is at the discretion of the teacher and can include:

- unfinished class work
- make-up work due to absence(s)
- special needs of the child
- reinforcement of class work
- special projects

Parents need to be aware of the fact that the amount of time a child spends on homework will vary according to each individual child and the conditions under which the child is working. In order to promote good study habits, we suggest that you and your child establish a suitable time and place for the completion of homework.

School Bags and School Property

It would be greatly appreciated if you could make sure that textbooks are covered and some type of school bag is provided so books can be brought home. Please help us to teach your child respect for school property. It would also be appreciated if you would speak to your child about respecting the property of neighbors near the school.

Cell Phones

If you allow your child to bring a cell phone to school, please note the phone **must be off** during the school day and **placed in your child's book bag**.

Hamilton Intermediate School is not responsible for loss or theft of cell phones, iPods, watches, or any other devices brought to school.

Lunch Policy

ALL 4th and 5th GRADE HAMILTON INTERMEDIATE SCHOOL STUDENTS WILL HAVE A CLOSED LUNCH. **No Student will be allowed to leave the school building during lunch periods.**

- children who do not buy lunch must bring their own lunch to school.
- no glass bottles are to be brought to school.
- due to the increasing incidence of food allergies among school children, please encourage your child not to share food.
- due to the possibility of a dangerous allergic reaction to peanut butter, we ask that it not be brought to school in any form (Ex. sandwiches, cookies, candies, etc.)

Dear Parents and Students,

The Harrison Board of Education instituted a uniform policy for all students in grades Kindergarten through Grade 12. This policy has proven to be very successful.

Everyone at Hamilton Intermediate School is very proud of the students and their uniforms and the effect it has had on their all-around school spirit and level of cooperation. For the 2023-2024 school year, the school uniform colors will remain the same: burgundy shirt with a collar with the Hamilton School insignia and khaki pants, shorts, or skirts. Stretch fleece, corduroy, and sweat material are not allowed. Shorts and skirts must be 2 inches above the knee or longer.

Please note that in addition to the clothing requirements, the following rules apply:

- ONLY flat headbands may be worn to Hamilton Intermediate School. Headbands with ears and other extensions become distracting during instructional times.
- No open shoes or flip flops
- **No Crocs footwear**
- Socks or stockings must be worn
- No spandex or stretch pants may be worn
- School colors are to be adhered to

During the winter months our school is more than adequately heated. If you wish for your child to wear an additional layer of clothing, please adhere to the following guidelines:

- A white, gray, or black long-sleeve shirt can be worn **UNDER** the uniform shirt.
- The uniform shirt must be clearly visible at all times.
- Students may wear the “Hamilton Hawks” hooded sweatshirt.

*****APPROVED UNIFORM CLOTHING IS TO BE WORN ON DAILY BASIS*****

It is the responsibility of the parents/guardian to make sure the proper uniform clothing is worn each day as required.

Thank you for your cooperation.

Nutrition and Celebration Information

While academic and athletic achievement are often indicators of a school district's success, we believe our children's health is equally as important especially when good nutrition advances academic achievement, athletic performance, and self esteem.

Our commitment is evidenced by Harrison's Board of Education Policy # 3542:

"Food and beverages of minimal nutritional value (as defined by the U.S. Department of Agriculture) will be eliminated during the school day... All Food and beverage items listing sugar, in any form, as the first ingredient, and all forms of candy may not be served, sold or given away anywhere on school property at any time before the end of the school day."

In an effort to adhere to these guidelines, the following will be strictly adhered to ensuring maximum use of classroom time for instruction.

Yearly Classroom Celebrations

Hamilton Intermediate School will have up to four "parties" during the course of the school year to celebrate: Halloween, Winter break, Valentine's Day, and the End-of-Year. Notifications of these celebrations will be coordinated by the teacher and school nurse. **NO FOOD WILL BE ALLOWED IN THE CLASSROOM FOR ANY OTHER EVENT WITHOUT PRIOR APPROVAL FROM THE PRINCIPAL AND SCHOOL NURSE.**

Birthday Celebrations - In School

- A birthday sticker will be provided to students celebrating a birthday that month.
- July birthdays will be celebrated in June and August birthdays will be celebrated in September.

Children with undiagnosed rashes must be seen by their physician and a note which includes diagnosis and treatment is required for readmission to school.

STREP THROAT, CONJUNCTIVITIS (pink eye), and IMPETIGO

MEDICATIONS

Below you will find the guidelines set forth by the State of New Jersey regulating the administration of medications in school.

5. No "over the counter" medication may be administered in school unless the parent/guardian can come to school to give it.

EMERGENCY NUMBERS

In the event a child becomes ill at school, the parent/guardian or designated person will be notified to bring the child home. Please make sure the school nurse has the correct numbers and that someone will be available to pick the child in a reasonable period of time.

OTHER ILLNESSES/SYMPTOMS

In the morning, if your child complains of a runny nose, heavy or frequent cough, diarrhea, stomach pains, nausea, vomiting, headache, or sore throat, he/she should not be sent to school. If your child is absent for more than three days, he/she must bring a doctor's note.
