

WELCOME TO 5th GRADE!

Dear Parent(s)/Guardian(s) and students,

Welcome to another wonderful school year! This is a list of supplies, which your child will need for 5th grade.

- (1) full size 1-subject spiral notebook for Science
- (1) 3 subject notebook for ELA, Writing and Social Studies
- (1) soft zipper [pencil case](#) (no box cases)
- (2) boxes of pencils (12 pack)
- (1) packages of thin, black dry erase [Expo Markers](#) (at least 4 in each pack)
- (2) large boxes of tissues
- (1) large package of clorox wipes OR sanitizer
- (2) set of inexpensive earbuds or headphones **Must fit in your pencil case (can be purchased at school for \$1 each)

Please note the following:

- Each child will be given a homework assignment pad, which will be used faithfully every night in order for you to check what is being assigned.
- Please make sure your child has completed their summer reading and mathematics assignments. This is due back the first week of school. Reading twenty minutes each night is essential to a student being successful.
- Ensure your child studies their number facts and knows their times tables with speed.
- Have them practice their keyboarding skills as they will be very important during their 5th grade school year.

Thank you for your help and have a wonderful summer! We are looking forward to meeting you in September!

Sincerely,

The Fifth Grade Teachers
