Dear Parents / Guardians

We hope this letter finds you all in the best of health and with smiles that match the summer sun! We're absolutely thrilled to welcome you back very soon. As we gear up for an exciting new school year, we have some updates:

## 1. Summer Assignments ☀️

We hope you've been making the most of your well-deserved break, and amidst the fun and relaxation, we encourage that your child(ren) stay engaged with their academic pursuits. Please make sure your child(ren) completes their assigned summer reading and math assignments. These activities are designed to keep their minds active and ready for the exciting challenges of the upcoming year. **Remember reading project will count as their 1st grade for English Language Arts!**

## 2. Supplies for 4th and 5th Grade 🎒

To ensure a smooth start to the new school year, we have compiled a list of essential supplies for students entering the 4th and 5th grades. Having these supplies on hand will enable our students to fully engage in the learning experience from day one.

Please find the Summer Reading/Math Assignments and School Supply List here: [4th & 5th Grade Summer Assignments & Supply List](#).

Should you have any questions or concerns, please do not hesitate to contact our main office at 973-735-5550.

The days are counting down and we can't wait to fill our hallways with laughter, learning, and the joy of discovery.

Keep soaking up those rays, embrace every moment, and have them bring that sunshine back as they start an exciting journey.

Best regards,

*Hamlet Marte*
